Frequently Asked Questions
YOUTH AS PARENTS

What services does the Youth As Parents Program provide?
The Youth As Parents Program provides ongoing case management services for up to 12 months, including assessment and screening, assistance connecting to community resources, parenting education and support. Case Managers assist participants in developing individualized service plans to set and meet goals including educational and vocational goals.

Who is eligible for services?
Pregnant and parenting teens, including fathers, up to age 19, who reside in Orange County. The program is designed to assist participants who are experiencing challenges in an area of their life including legal, educational/vocational, relationship/ family, substance abuse, and emotional. The case management team consists of master level clinicians who are trained to assist participants and their families in meeting these challenges.

Where are services provided?
Your assigned social worker is able to meet with you in your home, at school, work or other agreed upon and appropriate location.

Is there a minimum or maximum income requirement to enroll in the Youth As Parents Program?
There is no income requirement to enroll in services.

Does the Youth As Parents Program provide parenting classes?
Parenting education groups are offered in the community at various locations. For more information regarding dates and times, please contact the Youth As Parents Program at (714) 567-6230.

Can the Youth As Parents Program provide training and/or outreach services for my organization?
Yes. A representative from the Youth As Parents Program is available to provide on-site outreach services to organizations interested in learning more about our program and services. To schedule an appointment, please contact the Youth As Parents Program at (714) 567-6230.
