Dear Sir or Madam:

The Orange County Board of Supervisors is seeking one CalOptima member to serve on the CalOptima Board of Directors. CalOptima is a public, county organized health system, administering health insurance programs for Orange County children, low income families, and persons with disabilities. CalOptima is the second largest health insurer in Orange County, providing coverage to one in seven residents and almost a third of Orange County's children through three major programs including: Medi-Cal, OneCare (a Medicare Advantage Special Needs Plan), and the Healthy Families Program. The Agency administers health insurance programs through 6,100 doctors, 484 pharmacies, many local hospitals, and long-term care facilities in Orange County.

The CalOptima Board of Directors includes 11 members, one of which is designated to be filled by a CalOptima member (Member seat). To qualify for the Member seat, the applicant must be a current recipient of CalOptima services. Therefore, parents of minor children who receive services through CalOptima do not qualify per County of Orange Ordinance.

The Health Care Agency (HCA) will accept applications from August 19, 2013, through September 9, 2013. Applications for the Member seat and additional information can be found on HCA's website at: http://ochealthinfo.com/about/admin/caloptima. Recruitment questions may be directed to Whitney Ayers in the Health Care Agency Director's Office at (714) 834-5522, or (714) 834-6021.

To be considered, applications must be received by 5:00 p.m. on Monday, September 9, 2013. Please mail or hand deliver a completed application and resume to:

Health Care Agency- Director's Office, 405 W. 5th Street, Ste. 721, Santa Ana, CA, 92701

Please feel free to share this information with individuals who you know that may be interested in serving on the CalOptima Board.

Sincerely,

Mark A. Refowitz
HCA Director
