

Orange County EMS Approved EMT Expanded Scope of Practice Course Providers effective 4/1/2011

Below is a list of approved Orange County EMS EMT expanded scope of practice providers who offer the course publicly. Each program has been approved by OCEMS and provides EMS continuing education (CE) for the hours attended. Course length may vary by training organization but in no case will the course be less than four hours. Attending the OC EMT expanded scope of practice course will provide a certificate of completion necessary for OCEMS EMT Accreditation. See OCEMS Policy # 415.00 for more information.
