## OASIS

- **Target Population:**
  - Seriously and persistent mentally ill older adults (60+) years of age or older who may be at risk of institutionalization, or hospitalization, homeless or at risk of homelessness
- **OASIS Goal:**
  - Provide services in the field that are coordinated, effective and comprehensive, and that promote Wellness and Recovery for homeless (or at risk) older adults with mental illness living in Orange County
    - Interdisciplinary staff (peer counselors i.e. life coaches, personal service coordinators, nurses, nurse practitioner, a geropsychiatrist, and a pharmacist)

## OASIS Medical Team

- In order to meet the special needs of the older adult population, OASIS has a full medical team on site that regularly meets with members and ensures medical needs are not a barrier in member recovery goals
- Onsite medical team:**
  - Nurse Practitioner
  - 2 nurses
  - Geropsychiatrist
  - Pharmacist
  - Geriatric educator (all medical staff participate in this)
