SUBJECT: **Final Close-Out** First Follow-Up Audit of Limited Review of  
License Revenue for Coast Leasing Corporation dba Advantage Rent-A-Car System,  
Original Audit No. 2581

We have completed the First Follow-Up Audit of the Limited Review of License Revenue for Coast Leasing Corporation dba Advantage Rent-A-Car System (Advantage). Our audit was limited to reviewing actions taken, as of January 26, 2007, to implement the recommendations made in our original audit report dated September 6, 2006. The results of our Follow-Up Audit are discussed in the **Internal Auditor's Report** following this transmittal letter. Because satisfactory corrective action has been taken for the five (5) recommendations, this report represents the final close-out of the original audit.

As the Director of Internal Audit, I now submit a monthly audit status report to the Board of Supervisors (BOS) where I detail any material and significant audit findings released in reports during the prior month and the implementation status of audit recommendations as disclosed by our Follow-Up Audits. Accordingly, the results of this audit will be included in a future status report to the BOS.

We appreciate the cooperation and assistance extended to us by your staff during our follow-up audit.
