Residential Curbside Service with Three-Cart Recycling

CR&R is the exclusive hauler providing this service for \$15.62 per home per month. CR&R maintains a three-cart recycling system – one cart for trash, one cart for commingled recyclables, and one cart for green waste. CR&R provides bulky item pick-up service two (2) times per year with a maximum of four (4) items per pick-up.

Commercial Service with Commercial Commingled Recycling

CR&R is the exclusive hauler providing this service. There is a recycling service fee. CR&R provides commercial commingled recycling (newspaper, junk mail, cans, plastics, glass).

Multi-Family Commercial Service with Recyclables Separated at Material Recovery Facility

CR&R is the exclusive hauler providing this service. There is a recycling service fee. CR&R diverts multi-family commercial waste trash bins that are not serviced with recycling bins to a MRF where recyclables are separated.

Electronic Waste (E-Waste)

E-Waste curbside pick-up service is provided on call concurrent with the bulky pick-up service. E-Waste collection events are held at SOKA University two (2) times per year. The City refers residents to the Irvine Household Hazardous Waste Collection Center (HHWCC) and the San Juan Capistrano HHWCC for E-Waste disposal.

Universal Waste (U-Waste)

No curbside pick-up service is provided for U-Waste disposal. U-Waste collection events are held at SOKA University two (2) times per year. The City refers residents to the Irvine HHWCC and the San Juan Capistrano HHWCC for U-Waste disposal.

Household Hazardous Waste (HHW)

No curbside pick-up service or collection events are provided for HHW disposal.

Medical Waste

The City does not participate in the Sharps by Mail program. No curbside pick-up service or collection events are provided for medical waste disposal.

Community-Specific or Other Recycling Program

The City joins with Aliso Viejo for E-Waste events two (2) times each year. The City participates in Bag 2 Bag – recycle film plastic bags in residential carts.

Programs

A total of \$1,715,739 was given to Orange County jurisdictions to develop and implement regional recycling programs. As a recipient of Orange County grants, Laguna Niguel is reducing waste that would end up in local landfills with a Commercial Food Waste Diversion Program where food will be composted.
